alloys Assist
Flexible finance made easy

Aish partnered with Alloys Assist, who are equipment finance specialists established specifically for Information Technology funding needs, can help you transition from existing equipment to the latest technology.

By financing your new equipment you are able to effectively pay the equipment off over its useful life, then at the end of the agreed period simply return it all, and upgrade to the latest technology again, ensuring your business is always taking advantage of the latest productivity enhancements available.

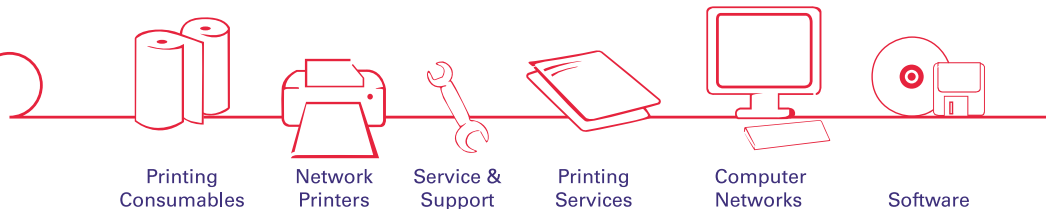

By taking advantage of this service you are

- Protected against obsolescence
- Able to keep your cash
- Able to run as an off balance sheet expense
- Preserving existing credit facilities
- Reduce your Total Cost of Ownership (TCO)
- Keep equipment under warranty

Equipment available for rental from Aish

- Servers
- Desktops
- Laptops
- Network Infrastructure
- Printers
- Software
- Services
- Training Aids
